CODE OF ETHICS

We believe that concrete is an ideal material for the construction of burial vaults for the interment of human remains and that a properly constructed concrete burial vault is worthy of acceptance by the public. Our sales and advertising policies will be governed by standards acceptable by the public and the funeral profession and by principles advocated by the National Concrete Burial Vault Association, Inc. We pledge fair trade practices to our competitor whose product we will not disparage. We shall conduct our business on sound business principles, striving to build a relationship of respect and confidence for the burial vault industry with the public, with the funeral director and with the cemetery's management. We will abide by the rules and regulations of the National Concrete Burial Vault Association, Inc., thereby contributing to a stronger and greater national industry.
